WORKING CONDITIONS

The driver's hours of work and work schedule vary. The position requires being seated for extended periods of time while operating a motor vehicle, interrupted by frequent standing in order to assist passengers. While driving and/or assisting passengers, the driver will need to bend, crouch, kneel, twist, push, and pull. The position may also require exposure to varied weather conditions, temperatures, and light levels. The position requires frequent interaction with the public. The position may require maneuvering the vehicle in congested traffic and within areas of restricted space.

The physical demands described here are the representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

I have read the job description and understand the qualifications and responsibilities of this position.
